— Everything Included

● **Convenient**
— Easy to use and store

40-FOOT STRETCH HOSE

Handy tools for virtually any job

There's no nook or cranny you can't reach with the floor tool, telescoping wand, elongated dust brush, flexible detail hose, crevice tool and upholstery tool. And the unique 40-foot stretch hose shrinks to 8' for easy storage—just wrap it around the power unit and it's safely out of the way.

Environmentally friendly, too

SwaachVac features HEPA type filtration—that means no dust or allergens are exhausted back.

And the easy-to-replace bag that holds about a gallon of compacted debris, means you'll go a long time between changes.

Swaach vac

five layer microfiber filtration dust bag

A Breakthrough in Vacuum Design

Add power to convenience, throw in smart design throughout, and add simple, easy installation meet the new SwaachVac, a great addition to any garage. And did we say flexible? There's virtually no vacuuming task SwaachVac can't handle with ease.

**REVOLUTIONARY
PATENTED DESIGN**

GERMAN
ENGINEERED

Swaach Vac has been designed to save space for your Home, Office, Clinic, Shop etc and it will exceed your expectations in suction power, ease of installation, performance and versatility.

Handy tools for virtually any job

Versatile tools make any vacuuming job a snap

Industry-leading six-year warranty

Five layer microfiber filtration dust bag

Space saving design

The compact SwaachVac needs only 2½ square feet of wall space. That's less than half the space of other systems! And the integrated tool caddy keeps all your attachments organized in one place.

40-foot hose shrinks to 8", and stores easily around the power unit

One-gallon dust bag

Powerful 12 amp motor with 398 air watts provides great suction power for all your cleanup jobs

Installs in 10 minutes or less

Choose either Flush Mount (2x4 stud wall) or Surface Mount models, whichever best suits your needs. Either way, installation's a snap.

FEATURES

And check out these features that make SwaachVac so unique
